Ordering Books

From Europe

We order from a source based in Denmark. While we try to keep a small inventory of popular books, many books are ordered when we have sufficient numbers to place an overseas order.

Fulfillment Time

There may be a delay of several weeks, depending on our order cycle.

Handling Margin

Our price covers our estimate of the exchange rate, shipping and our handling costs. Prices are subject to change prior to order confirmation.

PrePayment for Large Orders

Because we must prepay for books, if you are ordering over \$500 in books, we may ask that you prepay for the books.
